

# DOMINO SONORO

Carta e Colori

Carta e Colori

## REGOLE DEL GIOCO:

dopo aver stampato le tessere, coloratele insieme ai bimbi e tagliatele.

Il gioco funziona in maniera simile al classico domino. La differenza e' che, per ogni tessera scelta, bisogna creare con la voce il rumore relativo. Date sfogo alla creativita' inventando suoni differenti. Ogni tessera, infatti, nasconde piv' di un suono ad un occhio attento!
